

Guideline for Poster Presentation

Please note that poster displays should be mounted on the numbered poster board and removed during the designated time at Ramada Plaza Suwon.

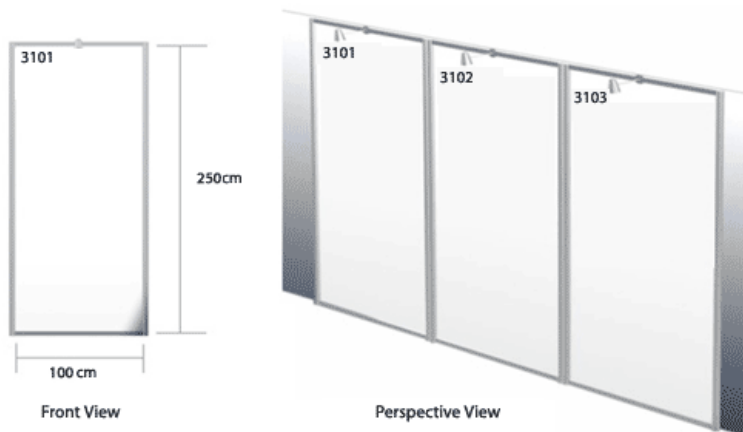

Posters should be readable when standing 1-2m from the boards, which typically means 16-20 point text, double-spaced. Each poster should clearly display the title, authors, and affiliations, preferably at the top of the poster. The message should be understandable without oral explanation. Please note that all presenting authors should register for the conference.

The posters will be displayed from March 24 (at 9:00 pm) to March 25 (at 6:00 pm). If you cannot attend the entire meeting, please make an arrangement for your collaborators or colleagues to mount the poster during the designated set-up time. Any displays remaining after the designated take-down time will be discarded. Double-sided adhesive tapes will be provided in the poster session area on the lobby(3F).

Poster Display Dimensions

Poster size should be within the limitation of 90 cm(horizontal) X 120 cm(vertical). Poster should be made as visually appealing and easily understandable as possible.

* Board : 100 cm X 250 cm
